

Bio Energetic Field Enhancement

ORB

The Q2 ENERGYspa™ was created to realign, balance and enhance the bio energetic levels in water that is then used by the cells of all living things.

Designed in Australia it leads the world in non invasive energetic hydro-therapy technology.

This revolutionary system is fully enclosed and allows for every consumable and wearable part to be replaced with ease.

The NEW enhanced cable connector is also more "in tune" giving your consumable rings longer life. The Orb now has a superior locking mechanism for ease of use.

The enhanced design of the NEW ORB allows for less interference from the tracks connecting the various rings to the power source. This means that the ORB can establish a more effective quality of field, **Improved Clarity & Bio-Energy Enhancement** between you and the water.

The innovative Q Orb is designed & built to comply with the **CE** mark & **UL** requirements.
